### RECREATIONS

#### BIJOU

The Russell Sisters come to the Bijou with a fire dance act—one requiring tons of special scenery and electrical effects. They enjoy a great reputation as fire dancers on the big

One of the Russell Sisters in the "Fire Dance" at the Bijou.

vaudeville circuits and will give an act here that is a decided novelty. Jourdain & Gervaise, in response to the popular demand, will appear at the Bijou, this week in their splendid Indian, Spanish and Italian characterizations. Selected films will be the rule at the Bijou, and a splendid performance is promised.

There will be a matinee at the Bijou this afternoon at 3 o'clock, arranged particularly for children. This will be the last chance to see the two big African lions perform. The prices are 10 and 15 cents.

#### EMPIRE

An exceptionally good program in addition to a complete change of films is scheduled for the Empire. Foley & Earle, direct from the big Eastern circuits, will head the bill in dancing novelties. The first part of the week Mr. Foley will feature what he calls his "Dope Fiend" dance, a weird affair performed under the glare of green lights.

During the last half of the week Miss Earl will give a wonderful exhibition of toe dancing. She will perform the "hurdle dance"—leaping over hurdles on the tips of her toes.

The Hidalgos are now at the Empire and will continue to dance their way into popularity at the Empire during the balance of their engagement.

#### SAVOY

The engagement of the Anker Sisters, singing and dancing soubrettes, who make their first appearance at the Savoy tonight, makes it possible for Hilda Carle to attempt music of a higher class than she has been singing. Her popular songs have been well received, but she prefers to sing more ambitious music. A complete change of films will be shown.

#### PARK

Hereafter the Park will be an entirely moving-picture show. The management believes that there is a demand for such a house and is prepared to meet it at this cozy little playhouse. Cunha's orchestra will be in attendance, and the films will be the best and latest. The prices will be 5, 10 and 15 cents.

#### THE DOCTOR'S QUESTION

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Bowel Disorders are eaten like candy, they act quietly, and have a patient and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.
